[2013-10-23 16:58:07] We just extended the CTF by a half hour because it started about half an hour later as well. So the CTF will end on 2013-10-24 08:30:00 UTC now.

[2013-10-23 16:34:17] [Packed] Think outside the box - being several types at once like an animal that can change its color. Excuse the inaccuracy, but that's what you're searching for.

[2013-10-23 15:15:17] [Wannabe] Added an additional URL for the channel without the reverse proxy, but also without ssl

[2013-10-23 14:36:55] [Packed] New Challenge Published: We found a dead robot! Want to take a look at its internals?

#	Title	Category	Points	#Solved	Status
1	ECKR	Crypto	100	3	online
2	Marvin is plain-Jane	Crypto	100	2	online
3	Geier's Lambda	Crypto	200	7	online
4	Pay TV	Web	200	166	online

Hack.lu CTF 2013

- Over 600 registered Teams/Participants
- 266 Teams solved 1 or more challenges
- 21 different Challenges
 - Reverse Engineering
 - Exploitation
 - Cryptography
 - Web
 - Internals

Anecdote

- Geolocation challenge.
- Visit URL from IPs
all over the world

Anecdote

- Solution: Phishing (by Team Stratum Auhuur)

„I would like to request a quote for a booking with your hotel.

We already made a pretty stiff schedule for our trip and would like you to send us possible dates.

We created a simple plan of the trip:
<http://tinyurl.com/businessstripref>“

- even the St. Vincent Islands

Archive

- All challenges will be made available in the next few weeks
- Including hack.lu CTF 2010-2013
